Before the Court are numerous administrative motions to seal related to Plaintiffs' Supplemental Motion for Class Certification. *See* ECF Nos. 417, 424, 450, 454 ("Sealing Motions"). For the reasons stated herein, the Court GRANTS in part and DENIES in part the parties' Sealing Motions.

I. LEGAL STANDARD

Historically, courts have recognized a "general right to inspect and copy public records and documents, including judicial records." *Nixon v. Warner Commc'ns, Inc.*, 435 U.S. 589, 597 & n.7 (1978). "Unless a particular court record is one 'traditionally kept secret,' a 'strong presumption in favor of access' is the starting point." *Kamakana v. City and Cnty. of Honolulu*, 447 F.3d 1172, 1178 (9th Cir. 2006) (quoting *Foltz v. State Farm Mut. Auto. Ins. Co.*, 331 F.3d 1122, 1135 (9th Cir. 2003)).

1 To overcome this strong presumption, a party seeking to seal a judicial record must
2 articulate “compelling reasons supported by specific factual findings that outweigh the general
3 history of access and the public policies favoring disclosure.” *Id.* at 1178-79 (internal quotation
4 marks and citations omitted). “In general, ‘compelling reasons’ . . . exist when such ‘court files
5 might have become a vehicle for improper purposes,’ such as the use of records to gratify private
6 spite, promote public scandal, circulate libelous statements, or release trade secrets.” *Id.* at 1179
7 (citing *Nixon*, 435 U.S. at 598). “The mere fact that the production of records may lead to a
8 litigant’s embarrassment, incrimination, or exposure to further litigation will not, without more,
9 compel the court to seal its records.” *Id.* (citing *Foltz*, 331 F.3d at 1136).

10 However, the Ninth Circuit has “carved out an exception to the presumption of access to
11 judicial records . . . [that is] expressly limited to judicial records filed under seal when attached to a
12 *non-dispositive* motion.” *In re Midland Nat. Life Ins. Co. Annuity Sales Practices Litigation*, 686
13 F.3d 1115, 1119 (9th Cir. 2012) (per curiam) (internal quotation marks and citation omitted)
14 (emphasis in original); *see also Pintos v. Pac. Creditors Ass’n*, 605 F.3d 665, 678 (9th Cir. 2010)
15 (applying a “good cause” standard to all non-dispositive motions because such motions “are often
16 unrelated, or only tangentially related, to the underlying cause of action”) (internal quotation marks
17 and citation omitted). Pursuant to Rule 26(c) of the Federal Rules of Civil Procedure, a trial court
18 has broad discretion to permit sealing of court documents for, *inter alia*, the protection of “a trade
19 secret or other confidential research, development, or commercial information.” Fed. R. Civ. P.
20 26(c)(1)(G). The Ninth Circuit has adopted the definition of “trade secrets” set forth in the
21 Restatement of Torts, holding that “[a] trade secret may consist of any formula, pattern, device or
22 compilation of information which is used in one’s business, and which gives him an opportunity to
23 obtain an advantage over competitors who do not know or use it.” *Clark v. Bunker*, 453 F.2d 1006,
24 1009 (9th Cir. 1972) (quoting *Restatement of Torts* § 757, cmt. b). “Generally it relates to the
25 production of goods. . . . It may, however, relate to the sale of goods or to other operations in the
26 business. . . .” *Id.* In addition, the Supreme Court has recognized that sealing may be justified to
27 prevent judicial documents from being used “as sources of business information that might harm a
28 litigant’s competitive standing.” *Nixon*, 435 U.S. at 598.

Even under the “good cause” standard of Rule 26(c), however, a party must make a “particularized showing” with respect to any individual document in order to justify sealing the relevant document. *Kamakana*, 447 F.3d at 1180; *San Jose Mercury News, Inc. v. U.S. Dist. Court, N. Dist.*, 187 F.3d 1096, 1103 (9th Cir. 1999). “Broad allegations of harm, unsubstantiated by specific examples or articulated reasoning, do not satisfy the Rule 26(c) test.” *Beckman Indus., Inc. v. Int’l Ins. Co.*, 966 F.2d 470, 476 (9th Cir. 1992) (internal quotation marks and citation omitted).

As Plaintiffs’ Supplemental Motion for Class Certification is a non-dispositive motion,¹ the Court finds that the parties need only demonstrate “good cause” in order to support their requests to seal. *Pintos*, 605 F.3d at 678 (applying “good cause” standard to all non-dispositive motions).

II. PARTIES’ ADMINISTRATIVE MOTIONS TO SEAL

As an initial matter, the Court denies requests to seal information relating to topics already discussed publicly in filings or at hearings before the Court. For example, at the August 8, 2013 Class Certification Hearing, the following topics were discussed: (1) Google’s Big Bang, a company-wide pay increase; (2) Defendants’ “high, medium, and low” pay ranges; (3) the fact that Defendants’ employees were rarely paid outside these ranges; (4) the fact that an extra layer of approval was needed to depart from these ranges; and (5) the importance of internal equity. Aug. 8, 2013 Class Cert. Hr’g Tr. (“Aug. 8 Tr.”) at 102:18-22, ECF No. 494; *id.* at 27:15-18; *id.* at 27:20-22. However, Defendants seek to seal such information. *See* Decl. Eric B. Evans in Supp. of J. Resp. to Pls.’ Admin. Mot. to File Under Seal Pls.’ Suppl. Mot. in Supp. of Class Cert. (“Decl. Eric B. Evans in Supp. of Mot. to Seal Pls.’ Suppl. Mot.”) ¶ 5, ECF No. 427; *See, e.g.*, Decl. Catherine T. Zeng in Supp. of Defs.’ Resp. to Pls.’ Adm. Mot. to File Under Seal ¶ 4, ECF No. 425; Decl.

¹ The Court recognizes that there may be circumstances in which a motion for class certification is case dispositive. As the Eleventh Circuit observed in *Prado v. Bush*, 221 F.3d 1266, (11th Cir. 2000), a motion for class certification might be dispositive if “a denial of class status means that the stakes are too low for the named plaintiffs to continue the matter.” *Id.* at 1274. Nevertheless, the Court applies a “good cause” standard here in accordance with the vast majority of other courts within this circuit. *See, e.g.*, *In re NCAA Student-Athlete Name and Likeness Licensing Litigation*, No. 09-01967, 2012 WL 5395039 (N.D. Cal. Nov. 5, 2012); *Vietnam Veterans of America v. C.I.A.*, No. 09-0037, 2012 WL 1094360, at *1-2 (N.D. Cal. March 29, 2012); *Buchanan v. Homeservices Lending LLC*, No. 11-0922, 2012 WL 5505775, at *2 (S.D. Cal. Nov. 13, 2012); *Davis v. Social Service Coordinators, Inc.*, No. 10-02372, 2012 WL 2376217 (E.D. Cal. June 22, 2012); *Rich v. Hewlett-Packard Co.*, No. 06-03361, 2009 WL 2168688 (N.D. Cal. Jul. 20, 2009).

Eric B. Evans in Supp. of Mot. to Seal Pls.' Suppl. Mot., ECF No. 427. Because this information is in the public record, the Court denies requests to seal such information in the motions below.

A. Plaintiffs' Administrative Motion to File Under Seal Plaintiffs' Supplemental Motion for Class Certification, ECF No. 417

On May 10, 2013, Plaintiffs moved to file under seal documents related to Plaintiffs' Supplemental Motion for Class Certification. *See* Plaintiffs' Motion to Seal Supplemental Motion for Class Certification, ECF No. 417. Specifically, pursuant to Civil Local Rule 7-11 and 79-5(d), Plaintiffs request an order from the Court authorizing the filing under seal of portions of the following documents:

- (1) Plaintiffs' Supplemental Motion and Brief in Support of Class Certification, *see* ECF No. 418;
- (2) Expert Witness Report of Kevin F. Hallock, *see* ECF No. 418-3;
- (3) Supplemental Expert Witness Report of Edward E. Leamer, *see* ECF No. 418-4;
- (4) Exhibits A through VV and Plaintiffs' Exhibits attached to the Declaration of Lisa J. Cisneros in Support of Plaintiffs' Supplemental Motion for Class Certification, *see* ECF No. 418-2; and
- (5) Exhibits 1 through 17 to the Declaration of Dean M. Harvey in Support of Plaintiffs' Supplemental Motion for Class Certification, *see* ECF No. 418-1.

Plaintiffs request that the above documents be filed under seal because they are or refer to documents or information that Defendants have designated "CONFIDENTIAL" or "CONFIDENTIAL – ATTORNEYS' EYES ONLY" under the Protective Order. *See* Pls.' Mot. Seal Suppl. Mot. Class Cert. at 2.

Within seven days² of Plaintiffs' sealing request, Defendants filed a joint response to Plaintiffs' administrative motion to file portions of these documents under seal. *See* Defendants' Joint Response to Plaintiffs' Motion to Seal Supplemental Motion for Class Certification, ECF No. 424. Defendants contend that the materials that they seek to maintain under seal contain confidential and commercially sensitive information about employee compensation, including Defendants' compensation data as well as information that reflect certain Defendants' internal

² The Local Rules currently provide that the Designating Party must file a declaration establishing that all of the designated material is sealable within four days of the filing of the Administrative Motion to File Under Seal. *See* Local Rule 79-5(e)(1). However, at the time of the sealing requests, the Local Rules allowed the Designating Party seven days to file the declaration. Thus, Defendants' corresponding declarations are timely.

decision-making regarding their business strategies related to compensation and internal assessments of their and other employers' competitive position in the labor market. *Id.* at 3. Defendants also seek to keep under seal those materials that reflect compensation practices, strategies, and policies; recruiting and hiring data, practices, strategies, and policies; and personal identifying information of employees or candidates. *Id.* Defendants designated this information as "Confidential" or "Attorneys' Eyes Only" under the Protective Order. *Id.*

In addition, Defendants filed corresponding declarations in support of Defendants' Joint Response to Plaintiffs' Motion to Seal Supplemental Motion for Class Certification:

- (1) Declaration of Catherine T. Zeng (Intuit), *see* ECF No. 425;
- (2) Declaration of Justina Sessions (Lucasfilm), *see* ECF No. 426;
- (3) Declaration of Eric B. Evans (Google), *see* ECF No. 427;
- (4) Declaration of Lin W. Kahn (Adobe), *see* ECF No. 429;
- (5) Declaration of Krystal N. Bowen (Intel), *see* ECF No. 430;³
- (6) Declaration of James M. Kennedy (Pixar), *see* ECF No. 431;
- (7) Declaration of Christina Brown (Apple), *see* ECF No. 432.

In light of the above, the Court makes the following rulings as to Plaintiffs' Motion to Seal Supplemental Motion for Class Certification, ECF No. 417:

Plaintiffs also sought to seal other information in their administrative motion to seal. *See* ECF No. 417. However, Defendants do not seek to seal such information. *See* ECF No. 424. The Court, therefore, DENIES all other proposed redactions identified by Plaintiffs. Accordingly, the Court GRANTS in part and DENIES in part Plaintiffs' Motion to Seal Supplemental Motion for Class Certification, ECF No. 417.

B. Defendants' Joint Administrative Motion to Seal Defendants' Opposition to Plaintiffs' Supplemental Motion for Class Certification, ECF No. 450

On June 22, 2013, Defendants jointly moved to seal Defendants' Opposition to Plaintiffs' Supplemental Class Certification Motion and related documents. *See* ECF No. 450. Specifically, Defendants jointly move to seal portions of:

- (1) Defendants' Opposition to Supplemental Class Certification Motion, *see* ECF No. 439;
- (2) Declaration of Christina Brown filed in Support of Defendants' Opposition to Supplemental Class Certification Motion and Attached Exhibits, *see* ECF No. 445;
- (3) Supplemental Expert Report of Kevin Murphy and Attached Exhibits, *see* ECF No. 440;
- (4) Expert Report of Kathryn Shaw, Ph.D., *see* ECF No. 442; and
- (5) Declaration of Lin Kahn in Support of Defendants' Opposition to Plaintiffs' Supplemental Motion for Class Certification and Attached Exhibits, *see* ECF No. 446.

The information Defendants seek to seal has been designated "Confidential" or "Attorneys' Eyes Only" under the Protective Order. *Id.* at 2. Defendants contend that good cause exists to seal such information because the documents contain confidential and commercially sensitive information about employee compensation. *Id.* Particularly, the proposed redacted portions contain compensation data as well as information that reflect certain Defendants' internal decision-making regarding their business strategies related to compensation and internal assessments of their and other employers' competitive positions in the labor market. *Id.* Defendants also seek to maintain under seal materials that reflect: compensation practices, strategies, and policies; recruiting and hiring data, practices, strategies, and policies; and personal identifying information of employees or candidates. *Id.*

In support of this motion to seal, Defendants filed corresponding declarations:

- (1) Declaration of Christina Brown (Apple), *see* ECF No. 441;
- (2) Declaration of Anne M. Selin (Google), *see* ECF No. 443;
- (3) Declaration of James M. Kennedy (Pixar), *see* ECF No. 444;
- (4) Declaration of Lin W. Kahn (Adobe), *see* ECF No. 447;
- (5) Declaration of Catherine T. Zeng (Intuit), *see* ECF No. 448;
- (6) Declaration of Frank Busch (Intel), *See* ECF No. 449;
- (7) Declaration of Justina Sessions (Lucasfilm), *see* ECF No. 451

The declarations state that Defendants have kept the redacted information confidential and that the public disclosure of this information would cause Defendants harm by giving third parties insights into confidential and sensitive aspects of each of the Defendants' strategies, competitive positions, and business operations, allowing these third parties to potentially gain unfair advantage in dealings with and against each of the Defendants.

In light of Defendants' motion and corresponding declarations, the Court makes the following rulings as to Defendants' Joint Administrative Motion to Seal Defendants' Opposition to Plaintiffs' Supplemental Motion for Class Certification, ECF No. 450:

C. Plaintiffs' Administrative Motion to File Under Seal Plaintiffs' Reply in Support of Supplemental Motion for Class Certification, ECF No. 454

On July 12, 2013, Plaintiffs filed an administrative motion to file under seal Plaintiffs' Reply in Support of Supplemental Motion for Class Certification. *See* ECF No. 454. Pursuant to Civil Local Rule 7-11 and 79-5(d), Plaintiffs request an order from the Court authorizing the filing under seal portions of the following items:

- (1) Plaintiffs' Reply in Support of Supplemental Motion for Class Certification, *see* ECF No. 455;
- (2) Rebuttal Supplemental Expert Report of Edward E. Leamer, *see* ECF No. 457;
- (3) Exhibits A through O and Plaintiffs' Deposition Exhibits 122, 1304, 2738, and 2739, attached to the Declaration of Anne B. Shaver in Support of Plaintiffs' Supplemental Motion for Class Certification ("Shaver Decl."), *see* ECF No. 456; and
- (4) Declaration of Sheryl Sandberg, *see* ECF No. 458.

Plaintiffs request that the documents be filed under seal because they are or refer to documents or information that Defendants or a Third Party has designated "CONFIDENTIAL" or "CONFIDENTIAL-ATTORNEYS' EYES ONLY" under the Protective Order. *Id.* None of the information at issue was designated as confidential by Plaintiffs, and Plaintiffs take no position on whether the designated documents satisfy the requirements for sealing. *Id.*

Seven days after Plaintiffs' request to seal, Defendants Pixar and Lucasfilm filed a Joint Response to Plaintiffs' Motion to File under Seal Plaintiffs' Reply in Support of Supplemental Class Certification. *See* ECF No. 461. Defendants Pixar and Lucasfilm seek to maintain under seal portions of the following:

- (1) Rebuttal Supplemental Expert Report of Edward E. Leamer, *see* ECF No. 457; and
- (2) Exhibits I and 1304 to the Shaver Decl., *see* ECF No. 456.

Defendant Pixar and Defendant Lucasfilm state that the proposed redacted portions in the above documents contain confidential and commercially sensitive information about employee compensation, including Pixar's and Lucasfilm's compensation data, as well as internal decision-making regarding business strategies related to compensation. *Id.* In support of Defendant Pixar and Defendant Lucasfilm's joint response to Plaintiffs' Motion to Seal, Justina Sessions submitted a declaration on behalf of Lucasfilm, *see* ECF No. 461-1, and James M. Kennedy submitted a

declaration on behalf of Pixar, *see* ECF No. 461-2. The declarations state that Lucasfilm and Pixar sought to maintain the confidentiality of the materials because public disclosure of these materials could cause Lucasfilm and Pixar harm or could result in the disclosure of private personal information.

In addition, Defendants Apple, Adobe, Google, Intel, and Intuit jointly filed their response to Plaintiffs' motion to seal. *See* ECF No. 462. Defendants state that the redacted portions contain confidential and commercially sensitive information about employee compensation and internal assessments of their and other employers' competitive position in the labor market. *Id.* at 3. Further, such materials reflect: compensation practices, strategies and policies; recruiting and hiring data, practices, strategies and policies; and personal identifying information of employees or candidates.

In support of their sealing requests, Defendants filed corresponding declarations:

- (1) Declaration of Lin W. Kahn (Adobe), *see* ECF No. 463;
- (2) Declaration of Rowan T. Mason (Intuit), *see* ECF No. 464;
- (3) Declaration of Anne M. Selin (Google), *see* ECF No. 465;
- (4) Declaration of Frank Busch (Intel), *see* ECF No. 466;
- (5) Declaration of Christina Brown (Apple), *see* ECF No. 475.

In light of the above, the Court makes the following rulings as to Plaintiffs' Administrative Motion to File Under Seal Plaintiffs' Reply in Support of Supplemental Motion for Class Certification, ECF No. 454:
